There are 2 ways to cancel your account:
1. Send an email to cancel@webservio.com with your domain name.
2. Send or fax us your cancellation request on your organization's letterhead with a valid authorizing signature. You will then be contacted to confirm cancellation. Once confirmed, your hosting account will be terminated.
Webservio, Inc.
2200 Sutherland Avenue, Suite 403
Knoxville, TN 37919
Phone: (865) 692.5425
Fax: (865) 692.5427
Please Note: any special instructions will be quoted and charged at an hourly rate. Outstanding accounts are required to clear their balance before terminating services.
